

KNCB Tapeball Rules and Regulations indoor seniors competition 2017

LAWS

The Laws of Cricket shall apply together with any experimental rules and conditions laid down by the KNCB for the recreational game in the preceding cricket season, with the exception of the following playing regulations:-

1. Teams shall consist of six players each.
2. Each match shall consist of one innings per team.
3. Each innings shall consist of a maximum of 8 six ball overs.
4. No bowler shall bowl more than two overs. (In the case of a bowler becoming incapacitated, the over shall be completed by a bowler who has not bowled 2 overs even if he bowled the preceding over).
5. In order to save time all overs will be bowled from one end
6. The interval between innings shall be as short as possible.
7. Two batsmen shall be at the wicket at all times during an innings. In the event of a team losing five wickets within the permitted 8 overs, the last man shall continue batting with the fifth man out remaining at the wicket as a runner.
8. When a batsman reaches a personal total of 25 he shall retire but may return to the crease in the event of his side being dismissed within the eight overs. Retired batsmen must return in the order of the retirement and take the place of the retiring or dismissed batsman. Two "live" batsman shall be at the wicket until such time as the fifth wicket has fallen.
9. If the ball reaches or passes the batsman at or above shoulder height, standing in his normal stance, either umpire shall call and signal "no ball". No bouncers are allowed.

RESULTS

The team scoring the more runs in its innings shall be the winner. If the scores of both teams are equal, then the team losing the fewer wickets shall be the winner. If the teams are still equal, then each member of both teams shall bowl one ball (overarm) at a wicket (without batsman present); the team hitting the wicket the greater number of times shall be the winner. Hits from "no balls" shall not count and no extra ball shall be bowled. If the teams have the same number of hits, one member of each team, in the same order as before, shall have a further attempt; the first team to go ahead after each side has had an equal number of attempts shall be the winner.

SCORING

The scoring for Tapeball Cricket will be the same as the ODI Rules and Regulations. This means:

1. A ball that is hit outside the ground with a bounce will be awarded with 4 runs. A ball that is hit without a bounce will be awarded with 6 runs.
2. One run shall be scored if the batsmen complete a run.
3. A free hit will be awarded after no balls
- 4.. All extra's count as one and will be rebowled.

METHOD OF DISMISSAL

Apart from the normal methods of dismissal contained in Laws of Cricket, the following variation shall apply:-

- (a) The last not-out batsman shall be given out if the non-striker running with him is out.

TIE ON POINTS IN A POOL

In the event of a tie on points in a pool, the result(s) of the match(es) between the teams involved will be the decisive. In the case this is still tied each member of the teams shall bowl one ball (overarm) at a wicket (without batsman present); the team hitting the wicket the greater number of times shall be the winner. Hits from "no Balls" shall not count and no extra ball shall be bowled. If the teams have the same number of hits, one member of each team, in the same order as before, shall have a further attempt; the first team to go ahead after each side has had an equal number of attempts shall be the winner.
